### Ready-to-Go Reading Manipulatives: 172 Cut-Up Letters & Words for Reading High-Frequency Words

This product supports the NCTE/IRA Standards for the English Language Arts and the recommended teaching practices outlined in the NAEYC/IRA position statement Learning to Read and Write: Developmentally Appropriate Practices for Young Children.

#### NCTE/IRA Standards for the English Language Arts

This product supports the following standards:

1. **Students read many different types of print and nonprint texts for a variety of purposes.** Students read the high-frequency words included in this set in order to identify them and build them from the letters in the set.
2. **Students use a variety of strategies to build meaning while reading.** This set helps students learn to quickly and easily identify high-frequency words, an essential reading skill.
3. **Students communicate in spoken, written, and visual form, for a variety of purposes and a variety of audiences.** Students communicate verbally while doing the activities included in this set.
4. **Students become participating members of a variety of literacy communities.** The activities in this set include group games, which help teachers build literacy communities.

#### NAEYC/IRA Position Statement Learning to Read and Write: Developmentally Appropriate Practices for Young Children

This product supports the following recommended teaching practices for preschool students:

1. **Teachers provide experiences and materials that help children expand their vocabularies.** The word and letter cards in this set help children build their vocabularies by learning high-frequency words and building other words from the letter cards.

This product supports the following recommended teaching practices for kindergarten and primary grades students:

1. **Teachers provide balanced literacy instruction that incorporates systematic phonics instruction along with meaningful reading and writing activities.** Several of the activities in this set can be used for phonics instruction.
2. **Teachers provide opportunities for children to work in small groups.** Several of the activities in *172 Cut-Up Letters & Words for Reading High-Frequency Words* are designed for small groups.
3. **Teachers provide challenging instruction that expands children's knowledge of their world and expands their vocabularies.** The word and letter cards in this set help children build their vocabularies by learning high-frequency words and building other words from the letter cards.
